Description: "Thrilling and delightful!"—Pseudonymous Bosch, New York Times bestselling author
The Navel Twins are at it again, for the fourth and final time! This time their travels take them to the North Pole where they are forced to sky dive, go dog sledding, get rescued by a man in a hot air balloon who looks vaguely like Santa, and finally find the long-lost...

Review: This entire book series was excellent. I read it to my 8-year-old son, and he kept asking me to read just one more chapter. Even his father enjoyed sitting in on our book time as I read the series out loud to our son. While I believe kids between ages 8-12 years would enjoy the book series, the reading level is closer to 11-12 years....
